It was very interesting. It is as interesting being around a high energy, intense person. Disconcerting at times, but it turned out to be ok.

This has got to be one of the most interesting work-  
shops I've ever been to. I've never seen a presenter  
like you before. On Monday, I was overwhelmed and didn't  
know what to think, but by Friday, I understood more  
and enjoyed it more. It was fun and I learned a lot.  
I'll see you next time you offer the workshop here. I ~~love~~  
like the ARFF. That's so cool! I want to share  
some of this with my <sup>handsome</sup> son and his beautiful wife so they  
can use it to help raise their beautiful, smart, talented  
~~son~~ daughter, Celista.
