DUPS could really use High
Trust ... we have lots of controllers
that are damaging children with
fear and hate. The teachers
there don't realize what they're
doing - and I believe would be
open to High Trust.

Dennyyyyyy!

I want to thank you again for everything you have done for me since August, way beyond a standard teacher PD.

I cannot tell you how tight I was before August... stressed, lacking confidence, and generally not balanced. I feel so good and excited about life right now... I have an amazing job and most importantly a good looking and loving hubby!

I am so excited about HT, that I am working to get my parents to you in Kirkland. My mom is balanced, she is a two time cancer survivor with spirit and gusto for life! YOU. WOULD. LOVE. HER! My dad is also beyond fabulous but needs to know about the list and how to love deeply and never be hurt again. He is a super hard sell, but I am on it!

I am extraordinarily grateful, Denny! Thank you!

Hi Denny,

I am so sorry I was not able to complete the workshop this past weekend. Without trying to offer excuses, I just want to say that I think I need to physically get away so that I am not always “on call.”

Even though I only attended Thursday evening, I enjoyed it so much and found it to be very helpful. I am sure I missed out on a lot, so I was poking around your website to see when you will be offering more workshops.

Enjoy the holidays with your beautiful family and I look forward to learning more from you in 2013!

Yay!

Take care,
