Dennis,

Thank you for being you!

Giving your true self to us is the most generous thing anyone could ever do.

So often we're confused about our identity, yet until we have developed the character to handle what we really want. Your 'ministry/teaching' helps us get to the point where we can have the life we were meant to have by being who we were made to be, so we can be the professional educators we're capable of being.

High Trust is pure beauty & sharing beauty strongly draws us together and bonds us with amazing facility. What we all need so desperately, and hunger for so much, is beauty. Beauty needs a champion. (That Sir Knight is you.) Further more, that's why the ART of teaching, is, or can be The Thing, which you better than anyone I know can explain.

Thank you Sir Dennis!
