I used tireless "you may do that again  
with more respect" ~~stated~~ on an  
infamously difficult 6<sup>th</sup> grader  
and after about 40,000  
days later she only had to  
look at me before she walked  
herself to the door and  
mumbled to herself "ya ya !!!  
do it again with more respect."  
I just watched and beamed.
