Barb (Workshop coordinator)

Denny has been a gift to so many teachers!

*His impact is far-reaching.... into many generations.* It would be sad for the teaching profession if he stopped, yet we all reach a point in our lives when change is the correct answer.

*I am so grateful that I got to be a part of the early group that Denny influenced with "High Trust".* It has made me a better teacher, Mom, and Grammy! My granddaughter was awestruck with Denny....she "loved him" ....and wished "he was her teacher" :) *Those of us who had him as our teacher are indeed fortunate!*

Sincerely,
