*We are performing artists.*

*The classroom  
is our stage.*

*We dedicate  
our life*

*to our art.*

*We explain  
what we mean,*

*by living it,  
with our body,*

*brains,  
emotions*

*and from our guts.*

*We respond  
to the moment,*

*passionately.*

*We give all.*

*We save nothing.*

*We maximize!*

*We wait for no one  
to make us happy.*

*We nurture ourselves,  
and permit ourselves*

*to be gifted.*

*We inspire others*

*with our integrity*

*our elegance,*

*and our commitment*

*to quality.*

*We are a special gift*

*to ourselves,*

*and the world*

*that we unwrap*

*through life.*
