### United States Olympic Gold Medal Coach

Dear Denny,

I think of you often ...you are a key reason both Cody and Mac are thriving.

Cody graduated from Princeton, 3x All American in volleyball there and a huge success, and is now in his 5th year of pro volleyball in Germany - playing for the #1 team in the Bundesliga there, Berlin Recycling

Makenzie graduated cum laude from Bowdoin. What a great school, like a CU but in Maine, after playing volleyball there too. She then spent 2 years teaching at the Asia-Pacific School until she moved to Hawi in Hawaii 2000 yards from the beach. Her summers she spent guiding kids, in Costa Rica, Chile, New Zealand, Canada, and heck, even trips up Kilimanjaro. She really is the outdoor type of the duo following in her grandpa's footsteps (he lived on Yucca's valley ranch in his childhood, and knew Angel Adams well).

Just wanted to again say that, and that you have impacted many tens of thousands more thru my blog and clinics. There are Denny sprinkles in every session as I see it.

### Harvard University Grad-Math Teacher!

Hi Denny,

Of all the classes I've taken... or people I've known.... there are none who have had as great an impact on me as you.

Thanks,
