Dear Denny,

I think of you often ...*you're a key reason both Cody and Mac are thriving.*

Cody graduated from Princeton, 3x All American in volleyball there and a history major, and is now in pro volleyball in Germany. Mackenzie graduated cum laude from Bowdoin. She then spent 2 years teaching at the Asian Pacific School on the north shore in Hawaii. Her summers she spent guiding kids, in Costa Rica, Chile, New Zealand, Canada, and even trips up Kilimanjaro.

Just wanted to again say that, and that you have impacted many tens of thousands more thru my blog and clinics. There are Denny sprinkles in every session as I see it.

Capre diem,
J. Kessel

Of all the classes I've ever taken...or people I've known...there are none who have had as great an impact on me as you, Denny.

Thanks,
